Selectmen's Report

During the year 1968, there was no expenditure of T.R.A. funds due to the fact that the State Highway Department was unable to find the time. Over \$20,000.00 is available for 1969 and this will be used as planned to finish Hale Road and rebuild part of Brook Road.

The bridge over Black Brook on the Lower Bay Road deteriorated to the point where it had to be completely rebuilt. Apart from town labor and equipment the cost of construction of the new bridge exceeded \$5000.00. Over \$4000.00 of this amount was Duncan Fund money.

The new bridge to be built across Salmon Brook from Route 127 to the Prescott and Weeks Roads is being designed by Wesley Haynes of Concord. Tentative dates have been set for April 16th for advertising, May 8th for the opening of the bids and August 1st as construction completion date.

Last year we estimated that the number of individual taxpayers in Sanbornton would reach 900. The actual count is 907; an increase of 239 during the past five years. A further breakdown shows that there are 325 resident taxpayers and 582 non-resident. The property reference cards have increased in number to 1350. The re-appraisal of all Town property was completed in 1968 and during the hearings less than 5% registered complaints.

Again the Selectmen bring to the attention of all students who wish to apply for a scholarship that applications may be acquired from the school principal and must be filed at his office on or before May 1, 1969.

Mr. William Powers continues as custodian of the Town Hall and Mr. Donald Sanville is in charge of the Town Dump which is open Saturdays throughout the year and Wednesdays during the summer months. The New Hampshire Air Pollution Commission's Regulation No. 1 prohibits the open fire burning of all waste. Towns and cities are allowed until July 1st 1971 to find other means of disposing of waste material. The Selectmen

have been checking on the different means of waste disposal and will have plans to present at the 1970 Town Meeting.

The Town of Sanbornton will celebrate its Bi-Centennial during the year 1970. By vote at the 1968 Town Meeting the Selectmen were authorized to appoint a committee of three to meet with the Selectmen and bring in a report at the 1969 Town Meeting. A report of this committee consisting of Olin Joslyn, Russell Carpenter and Marion Atwood will be found on another page.

We call your attention to the scheduled office hours of the Tax Collector, Town Clerk and Selectmen printed on another page. By combining the duties of Tax Collector, Town Clerk and Secretary that person will be employed on a full time basis and receive an annual salary. We hope the new office hours will be more convenient for all Town Residents.

The Selectmen recommend that members of the Town Highway Department be paid for six holidays during the year; that they get a one week's paid vacation after one years employment and two weeks' paid vacation after three years as a town employee. The men receive no overtime pay regardless of the number of hours worked or when; no fringe benefits, only Workmen's Compensation Insurance which is compulsory. We appreciate the long hours they have worked this winter and every winter, particularly during the February blizzard. We express the hope that the townspeople will have patience when severe storms hit the area. Remember all equipment and men are working and they will get to your road as soon as possible. They do have over 70 miles of road to care for.

The Selectmen wish to thank all the town officers and the townspeople for their assistance and cooperation during the year 1968.

COME TO TOWN MEETING.

Board of Selectmen
Sanbornton, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Sanbornton for the fiscal year ended December 31, 1968, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given the Town Clerk as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Library and Fire Department.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1967-December 31, 1968: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1967 and December 31, 1968, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$2,296.11 in 1968.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1968, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$2,022.28 plus a net unexpended balance of appropriations of \$10.84, resulted in a net budget surplus of \$2,033.12.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1968, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1968, is indicated in Exhibit B-2.

Statement of Long Term Indebtedness: (Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1968, showing annual debt service requirements, is contained in Exhibit H.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS**Current Surplus:**

The current surplus (excess of total assets over current liabilities) decreased by \$2,783.89, from \$19,359.21, to \$16,575.32, as shown herewith:

	Dec. 31, 1967	Dec. 31, 1968
Total Assets	\$89,429.16	\$116,874.34
Current Liabilities	70,069.95	96,299.02
Current Surplus	\$19,359.21	\$ 20,575.32

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of

Sanbornton for their assistance during the course of the audit.

Police Department

Smelt Patrol: Started early in the Spring of 1968. Two men were on Patrol as usual, with the Chief available at all times.

Several Dogs were picked up. Homes were found for some and the others turned over to the Humane Society.

35 Breaks and Vandalism cases were investigated. The County Sheriff and Deputy Sheriff helped with these cases.

When needed, the Police patrolled Fire Calls.

There were two young men lost, they were located and returned to their destinations. One lady missing and she too was located and returned to her home.

The Lower Bay Road was patrolled during the Water Ski Meets as it was during Ice Fishing Season.

During the Motor Cycle Weekend all roads were patrolled throughout Sanbornton.

Elections and Town Meeting Days were policed by Chief and his men.

This year more than any other year our Department has found a great deal of litter on the back roads and some on the main roads. We have taken care of this and have patrolled for same in order that Sanbornton Roadsides may be clean and attractive.

One animal was shot at Mr. Swain's and the Sheriff Dept. was notified.

Old Home Day was policed as was the Band Concerts in all parts of Sanbornton.

The Police Dept., in cooperation with the State Police, investigated several automobile accidents.

The Chief of Police and his men would like to thank the Citizens of Sanbornton for their cooperation. If it were not for the fine understanding and cooperation our men could not perform their duties as efficiently as they do. The Chief feels that a great deal of the work has been made considerably easier and

much more accurate with the Radio System that was installed. When the need arises we can in a second connect with our Sheriff Department and with our C.B.'s and the efficiency of the Sheriff Department, many of our breaks and vandalism and even accidents can be handled in half the time.

The summary of what Our Department has done in 1968 has been handled to the best of my ability and for the best interest of the Taxpayer. My sincere thanks go to my officers for their untiring efforts; and interest shown when called upon; to the town and county officials and to our State Troopers.

Sincerely,

HARRY BROOKS,
Chief of Police, Sanbornton

Sanbornton Fire Department

We are pleased to report that fire loss in town was kept to a minimum this past year.

The Department responded to twenty-eight alarms—seventeen in Sanbornton and eleven Mutual Aid Calls.

Presently some twenty firemen are busily engaged taking a twenty-seven hour "Rescue" course sponsored by the State Board of Education.

The fence for the pond has been purchased and will be erected when favorable weather conditions prevail. This will complete the pond project.

The townspeople are now faced with the need for a new fire truck. In order to maintain and possibly extend our favorable insurance rates and protect our property, action must be taken this year. A committee has studied our needs and recommended a piece of equipment best suited to our long range program.

We wish to thank all who have contributed in any way to the Department.

The Department acknowledges the valuable assistance of the Lakes Region Mutual Fire Aid Association.

Respectfully submitted,

GEORGE S. CURRIER
Fire Chief

Our second dry hydrant was installed at the riverbank in Lochmere just north of the railroad trestle at a cost of \$250.00.

A new \$17,000.00 Farrar 1,000 gallon pumper truck was delivered in September and has been equipped with hose, nozzles, First Aid kits, and all other necessary and special equipment, costing \$1,900.00. It proved its value at the Dr. Robinson fire on Lancaster Hill Rd.

Our four trucks were operated a total of 603 miles on emergency calls. Our members put in a total of 926 man hours on emergency calls. At the present time the department has 34 regular members and eight junior members.

A Junior membership was started in March. The boys were trained in the use of back-pack pumps and portable gasoline engine pumps and have given excellent performance on grass and brush fires. Five of the boys were awarded First Aid Certificates after completing Red Cross training.

The Station was used as a meeting place by—

The 4-H Dog Club

Happy Helpers of Belmont

The Mutual Fire Aid Association

The Lake Shore Drive Association
 The Belmont Shores Association
 The Belknap County Law Enforcement Assn.
 The Belmont Centennial Committee

A Children's Christmas Party was held on December 22nd for all children in the Winnisquam area. 170 children met Santa Claus and were given presents, ice cream and candy, and a ride on the fire truck.

Report of Forest Fire Warden and District Chief

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted match is an adventure, burned fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result—escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn—
 - a. You need a written permit from the town fire warden for all debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on grass by householders between 9:00 A.M. and 5:00 P.M.
 - c. Have equipment on hand to control the fire before you light the match.
4. Promptly report any fire out of control to your fire

warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

Report Of The Planning Board

Several subdivision plans were reviewed and approved during the past year. In one instance a large subdivision, recorded in 1927, twenty years before passage of the Town Zoning Ordinance and Subdivision Control, was brought before the Board. Few of the lots were in accord with today's requirements for size and frontage in that particular location. The owner and developer, after several meetings with the Planning Board, revised his plan substantially to bring it more in line with current regulations, even though this meant a substantial reduction in the number of lots he could cut out of the tract, and even though legally he could have proceeded with the 1927 plan.

The Planning Board has held a number of hearings on the proposed revisions of the Zoning Ordinance outlined in the 1967 Annual Report. As a result of the comments and suggestions it has received at these hearings from the residents, the Board is in the process of modifying its proposals in order that they may conform as nearly as possible to the desires of the community and the requirements of these times.

There will be additional hearings, and then during the summer the proposed amendments will be presented to the town for a vote.

Sanbornton Public Library

Mrs. Barbara Powers, Librarian

The business of serving our readers of all ages, has been carried on as usual, with the thought in mind that there are many and varied interests. Therefore many books have been added in a number of categories. Also, the bookmobile from the N.H. State Library has brought many more titles.

Mrs. Powers completed two accredited courses, one on Programs and Services for Children and the second on Cataloging and Classification. These were Extension courses each carrying one credit toward certification.

We received a grant of \$100 from the N.H. Statewide Library Development Program for the purchase of reference books.

The interior of the library was painted a cheery light yellow and a fire escape from the second floor at the rear was added.

The library hours are as follows:

Wednesday 1-4 p.m. — 7-9 p.m.

Thursday 10 a.m. to 12 noon

We feel that steady progress is being made. We would hope that the library will continue to serve the townspeople well, ever increasing its storehouse of knowledge and enjoyment available to all who simply come and borrow. We would hope many more people will discover their library.

We are grateful to Mrs. Ellen Jesseman for her faithful service on library days and to all who helped the library in any way.

Civil Defense

Civil Defense is placing much emphasis on the Shelter Program. Central School and other locations in town are being revalued.

The Rescue and Service Truck is now operational but not fully equipped. With this year's appropriation we hope to purchase more equipment from Surplus Properties as it becomes available.

All necessary Program Papers and Progress Reports have been completed and approved.

We are again asking for an appropriation of \$200.00 to keep the town eligible to purchase Surplus Properties.

1968 Sanbornton Conservation Commission

The Sanbornton Conservation Commission was authorized in March 1967 at the annual town meeting. The Board of Selectmen at their next subsequent meeting appointed the following members to serve on the commission: Joseph Macozek, Chairman; Mrs. Chester Novicki, Secretary-Treasurer; Mrs. Melissa Carr, Publicity Chairman; Mrs. Dexter Dymont, Mrs. Joseph Macozek, Robert Bodwell and Edward Craig representing the Board of Selectmen.

Mrs. Carr resigned from the Commission after taking residence in Laconia. The Commission regrets the loss of her talents.

A new member, Mr. David McKay has filled the vacancy. Mr. McKay is a forester with the Allen-Rogers Company of Laconia and resides in Sanbornton.

The Commission in cooperation with the Scout Group of Sanbornton laid plans and completed a town nursery with over 25 varieties of native trees and shrubs located next to the new fire pond at the Central Fire Station in the Square. This nursery stock will be used to replace old or dead trees along the public right of way as recommended by residents and to maintain Sanbornton's natural charm and beauty.

The Commission undertook to appoint an advisory committee made up of citizens representing all geographic interests in the town to advise and assist the Conservation Commission and its Advisory Board.

A large photographic type map of our town showing our natural areas is now available to the selectmen, other town agencies and all the citizens.

Respectfully submitted,

JOSEPH MACOZEK,
Chairman

Report of the Recreation Committee

In a combined report of 1967 and 1968 the recreation committee would like to review the activities it has supervised and organized, in the town of Sanbornton.

Summer 1967

A certified Red Cross swimming instructor was available and organized a second successful swimming program with many children from town receiving Red Cross achievement cards.

Little League had an active program in 1967, but was not organized in summer 1968.

Fall 1967 and Winter 1967 & '68

Plans were made to buy a new rope for the ski tow. Many thanks to Haven Sanborn, Bill Powers and Bob Bodwell for the time and effort they put into this project, and to any one else who may have helped them. The tow ran several weekends and had many young people and adults joining in on this sport.

Summer 1968

We were lucky to have a town resident, Mrs. Ruth MacDonald, instruct at the swimming program. The children were later tested for the Red Cross certificates from the Franklin chapter.

The raft had a ladder added, and the town was able to dump more new sand on the beach. Picnic tables were brought to the area and barrels for litter.

Anyone who has used this area knows that individual respect is required on this town property and most everyone complied with this rule, and left the area in good condition after each use. We hope this practice will continue.

Winter 1968 & '69

The ski rope tow is running again on weekends, weather permitting, and is being enjoyed by all those using the area. Anyone wishing to drive to this area, behind the elementary school, and watch the skiers glide down this slope, will be pleased and proud that our town has developed this recreation facility.

Report Of Bicentennial Committee

Representatives of groups throughout the town met with the Committee appointed by the Selectmen when many ideas were discussed concerning our celebration in 1970. The Committee welcomes the suggestions of all and hopes to include every one in the events. A Commemorative coin will be issued and several Saturdays in the summer will be set aside for events. The Lakes Region Skimobile Club will sponsor a Skimobile event in January to start the year. Another group meeting will be called soon. The Committee hopes to give more details at the Town Meeting.

PRESERVE THIS REPORT

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year, or any year, it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve and bring it with you town meeting day.
